

Annual Function and Teachers' day Celebrated at GRIID

Government Rehabilitation Institute for Intellectual Disabilities (GRIID), Sector 31, Chandigarh celebrated its 1st Annual Function and Teachers' day today. Dr Jasbinder Kaur, Director Principal, Government Medical College and Hospital(GMCH) cum Director , GRIID, was the Chief Guest. She reminisced how from a small room of 4-5 specially abled children started by Mr. J.S. Gandhi, GRIID has now become a huge set up. It is providing various therapies and teaching to more than 450 students. She remembered Dr B S Chavan who envisioned that GRIID should progress leaps and bounds. Dr Jasbinder Kaur also congratulated teaching staff for Teachers' day while appreciating their efforts to educate and train intellectually disabled children.

Dr Priti Arun, Joint Director, GRIID presented an overview of the various activities conducted during the last one year such as teaching through virtual mode, virtual celebrations of International day for disability, winning competitions in various curricular and co-curricular activities by special students and college students, attending webinars and organizing workshops for parents and teaching staff. She also summarized about the projects that are underway such as making GRIID a University and starting Ph.D. program.

Special school students - Aarti, Shika, Anshika, Shanky- and College student- Anjali - were given appreciation certificates for being excellent students. Teaching staff from Special school and College section and therapists from Clinic section presented cultural items.

Sapling was presented as memento to Dr Jasbinder Kaur and Dr Priti Arun. Mr Jaspal, Administrative Officer, proposed vote of thanks. Dr R Vani Ratnam, Principal Special School GRIID was also present in the function.

Dr Jasbinder Kaur, Director-Principal GMCH-32 cum Director GRIID-31, Chief Guest of the function, lightening the lamp.
